From the Pastor’s Heart

I love Pathfinders! I love the kids in the Pathfinder program! I love the senior youth and the adults who lead Pathfinders! I love the families that sent their kids to Pathfinders! And I love the churches which actively support and promote Pathfinders!

Pathfinding leads our kids to Christ and hold them loyal to Him and His church. **Pathfinding** demonstrates the attractiveness of Christian ideas in an active program. **Pathfinding** guides our youth into missionary service. **Pathfinding** provides a positive church-centered program that promotes physical, mental, social, and spiritual growth. **Pathfinding** develops good character and citizenship. **Pathfinding**, along with our Christian schools, represents the best investment of our time and resources. I know...I’m a product of SDA **Pathfinding!** **I love Pathfinders!**

Forecast is for Random Flamingo Flocking!

Milton-Freewater, OR—Authorities in this small town are warning that you shouldn't be surprised to see confused flocks of flamingos gathering in your yard this winter. These

birds can be hard to eradicate and may cause laughter among your neighbors, but fortunately, the local Milton Rangers Pathfinder Club is fully trained to deal with these avian emergencies. In fact, the club is using the bizarre bird behavior as a way to fundraise for their upcoming trip to the International Camporee in Osh Kosh, WI. Simply follow the

printed directions found with any misguided flock of flamingos to have them professionally removed. Should you have a severe avian allergy, Flamingo Flocking Insurance can be purchased by calling ornithological expert Scott Fry at 509-301-6756.
